

A Note from Dan

Sunday is a day when we remember our Mothers. Whether your Mother is still living or already in Heaven, it is a time to reflect on what an impact they have had on each of us. Leisa said that growing up she thought her Mom loved the chicken neck and the heel of bread best. She later learned that they were not her favorite at all, she sacrificed for her family. I know that many times my mother gave up her needs for the needs of her children. I remember when I was in college and driving a school bus for a part time job she would get up VERY early and cook my breakfast so I could be on my bus route on time. Aren't Mom's Special! If your mom is still living, make sure you let her know she is appreciated. Remember, this is Her Day!

During the interim time, it is necessary that our Sunday School classes keep close contact will all those in their classes. This is a time when we need to make sure that our members are connected with our church. It is difficult in a large group such as worship to keep people connected and communicate effectively. Our classes and class leaders need to pay special attention to attendance patterns of your members. We want our church family to have a positive experience in our classes each week but we also want them to know when they are missed. Please be in contact with all your class members.

If you would like to play in our MBA Golf Tournament on Thursday, May 24, please call the church office to sign up. The cost is \$70.00 per person if you sign up by Friday, May 18. It begins at 11:00 am with registration and lunch at 11:30 am followed by Tee Time at 12:45 pm. Don't wait!

Our two new mini buses have arrived. We now have three fifteen passenger mini buses. As we begin the summer they will get plenty of use. To reserve our mini buses for church events call Cindy in the church office.

EHBC BUSINESS CARD CHALLENGE

Do you find yourself spending time in waiting rooms or standing in line? Do you have a new neighbor, someone new at a place you do business, or server at your table? The Lord gives us these and lots of other situations in which a friendly greeting can lead to finding out if a person has a church home in this area. If they do, you'll have things in common about which to talk, and I usually say something to the effect that I won't proselyte from another church but was going to invite them to visit us at Eastern Hills Baptist if they didn't already have one. If they don't have a church home in this area, follow up your invitation right then by handing them one of our EHBC business cards from your pocket or purse, and let them know you'll be glad to meet them at the Welcome Center on Green Ridge Rd. at a specific time, and show them the map on the back of the card. Perhaps write your name and number on the card, so they can call to confirm the date and time, especially if for some reason they can't come the very next Sunday.

The EHBC Business Card Challenge is for each of the members of your Sunday School Class to take 2 cards, which will be in the Sunday School notebook this Sunday, and to give them to 2 prospects for EHBC and/or for your class before next Sunday. A small supply of the business cards will also be available in the vestibule and in the Outreach Office. Join the Outreach Ministry Team in this simple challenge and see how the Lord blesses you, the people you invite, and EHBC. Can't wait to hear some of your testimonies!
